

THE SCORE... # 6

July 2011 H & D Schulz - Wiener Neustadt

Willkommen zur FEI Europameisterschaft Reining 2011!

Im Namen der ARHA Austria begrüße ich alle Teilnehmer und Besucher zur FEI Europameisterschaft Reining 2011 in Wiener Neustadt. Drei Tage lang kämpfen die besten Reiter und Pferde aus zehn Nationen um die begehrten Titel und Medaillen. Jeder einzelne von ihnen hat hart dafür gearbeitet, auf dieser Europameisterschaft starten zu können. Daher ist allein schon die Teilnahme eine große Leistung. Besonders freue ich mich, dass wir Gastgeber der zweiten EM der Junioren und Jungen Reiter sind. Hier treten jeweils sechs Mannschaften gegeneinander an, dazu zahlreiche Einzelreiter.

Ich bedanke mich bei allen Besitzern, die ihre Pferde für diesen internationalen Wettkampf zur Verfügung gestellt haben, den Sponsoren, ohne die ein Event dieser Größenordnung nicht möglich wäre, und natürlich allen Freiwilligen und Helfern. Allen Teilnehmern wünsche ich viel Erfolg, fairen Wettkampf und nicht zuletzt auch Freude mit unserem großartigen Sport.

Welcome to the 2011 FEI European Reining Championships!

On behalf of ARHA Austria I'd like to welcome all exhibitors, owners and visitors to the 2011 FEI European Reining Championships at Wiener Neustadt. For three days, the best riders and horses of ten nations will compete for the prestigious titles and medals. Each of them had to work hard for the chance of riding for his or her country at this very special event. Being a nation's representative here, is a

great achievement in itself. Especially I am happy that our event also hosts the second European Championship for Juniors and Young Riders. Here, we will see six teams in each division plus numerous individual riders.

I would like to thank all owners for allowing their horses to compete in this international event as well as the sponsors and helpers. Without them, an event of this class would not be possible.

Good luck and fair competition to all our exhibitors – may the best win! And may you all have great fun with our wonderful reining sport.

Benvenuti ai 2011 FEI European Reining Championships!

A nome della ARHA Austria vorrei dare il benvenuto a tutti i concorrenti, ai proprietari e al pubblico presente a Wiener Neustadt per l'edizione 2011 dei FEI European Reining Championships. In questi tre giorni vedremo schierarsi in campo i migliori cavalli e cavalieri provenienti da

dieci nazioni. Competeranno per aggiudicarsi questi prestigiosi titoli e le medaglie FEI. Ognuno ha dovuto lavorare duramente per rappresentare il proprio paese in questo evento speciale. Sono orgoglioso in particolare di poter ospitare la seconda edizione dei Campionati Europei riservati ai nostri giovani cavalieri, i Juniors e Young Riders. Saranno sei le squadre che vedremo, oltre ai cavalieri individuali.

Desidero ringraziare tutti i proprietari per aver permesso ai loro cavalli di competere in questo evento internazionale e naturalmente tutti gli sponsor e i componenti dello Staff. Senza di loro non sarebbe stato possibile disputare questo evento.

In bocca al lupo a tutti i nostri atleti e che vinca il migliore! Mi auguro che tutti voi possiate divertirvi grazie a questo meraviglioso sport, il Reining.

Helmut Schulz

OUR PARTNERS

Foreword by the FEI President

On behalf of the Fédération Equestre Internationale, it gives me great pleasure to welcome you to the FEI European Reining Championships for Seniors, Young Riders and Juniors 2011 at Wiener Neustadt, Austria. Some time ago there were already 10 nations listed to start in this event which will showcase the top European athletes and horses in this popular and ever-growing sport.

At Kreuth in Germany two years ago it was the host nation that dominated the team events when taking gold in both the Senior and Young Riders Championships while Italy claimed the Junior team honours. However the Italians were double-winners in the individual competitions, with gold in both the Junior and Young Rider divisions, leaving Germany's Nina Lill to clinch the Senior title.

Senior athletes must achieve a minimum score in order to qualify for these Championships as either an individual or team member, and we can expect competition of the highest calibre over the next few days. The German team may prove difficult to beat as they strive for their fourth team gold but the opposition is expected to put them under plenty of pressure and they will need to perform their "patterns" to perfection if they are to succeed.

I wish all the competitors the very best of luck ahead of this great week of sport.

And to the organisers, officials, supporters, horse-owners, spectators and the many volunteers without whose help this event could not take place, I send my best wishes for a thoroughly enjoyable Championship fixture, conducted in a spirit of comradeship and horsemanship.

Im Namen der Fédération Equestre Internationale heiße ich Sie ganz herzlich willkommen zur FEI Europameisterschaft Reining in Wiener Neustadt. 10 Nationen gehen bei diesem Event an den Start, darunter die besten Pferde und Reiter Europas.

Foreword by the OEPS President

Liebe Pferdesportfreunde,

im Namen des Österreichischen Pferdesportverbands darf ich Sie herzlich zu den FEI European Reining Championships der allgemeinen Klasse, Jungen Reiter und Junioren in Wiener Neustadt willkommen heißen. Von 26. bis 28. Juli 2011 geht im schönen und gepflegten Western Training Center H&D Schulz die Post ab. Das Who ist Who der internationalen Reiningsszene gibt sich ein Stelldichein und Zuseher erwartet ein Pferdesporterlebnis der Extraklasse. Es wird spannend, ob die deutsche Mannschaft ihre Erfolge der vergangenen EM in Kreuth 2009 wiederholen kann oder ob andere Nationen punkten werden. Wer die Hausherrin und das fleißige Team rund um Gerda Langer kennt weiß,

dass das Turnier perfekt organisiert ist und keine Wünsche bei Teilnehmern, Pferden und Fans offen bleiben. An dieser Stelle ein großes Dankeschön an die gesamte OK-Mannschaft sowie an die zahlreichen freiwilligen Helfer im Hintergrund. Ohne ihr großartiges Engagement wären Events dieser Größenordnung in Österreich nicht durchführbar.

Ich drücke allen Reitern die Daumen. Mögen die Besten gewinnen. Ihnen, liebe Besucher, wünsche ich viele spannende Wettbewerbe und gute Unterhaltung.

Mit Sportlichen Grüßen

Dear Horse Lovers

on behalf of the Equestrian Association of Austria, I'd like to welcome you in Wiener Neustadt to the FEI European Reining Championships of Senior, Junior and Young Riders. From July 26 until 28, 2011 beautiful Western Training Center H&D Schulz is the showcase of top quality reinings. The Who is Who of international reining is there presenting a very special horse event to visitors. We will see whether

Bei der letzten EM in Kreuth ging die Goldmedaille bei den Senioren (Mannschaft und Einzel) und bei den Jungen Reitern an Gastgeber Deutschland. Italien errang Mannschaftsgold bei den Junioren sowie Einzelgold bei den Jungen Reitern.

Uns erwarten in den nächsten Tagen spannende Wettkämpfe und sicherlich herausragende Ritte. Das deutsche Team wird alles daran setzen, zum vierten Mal Gold mit der Mannschaft zu erringen. Sie muss sich jedoch hochkarätiger Konkurrenz stellen; der Druck wird ungeheuer groß sein.

Ich wünsche allen Teilnehmern viel Erfolg in dieser Woche.

Den Organisatoren, Offiziellen, Pferdebesitzern, Sponsoren und Zuschauern sowie den vielen Freiwilligen, ohne die dieses Event nicht möglich wäre, sende ich die besten Wünsche für eine gelungene Europameisterschaft, die ganz im Sinne von Kameradschaft, Fairness und Horsemanship steht.

the German team that earned team and individual gold in 2009, will be able to repeat their success – or whether one of the other nations will be able to claim the prestigious title. Those who know the owner and host of this facility as well as the professional team of Gerda Langer, also know that this is going to be another perfectly organized show for exhibitors, horses and fans. A big thank you to all of the organizing team as well as all the helpers in the background. Without their dedication and great job they are doing, an event of this size could not be managed in Austria.

Good luck to all the riders – may the best horse and rider win. And to you, dear visitors: great fun with this spectacular sport.

Kind regards,

Elisabeth Max-Theurer

Faszination Reining

Reining – das ist Adrenalin pur! Kaum jemand kann sich der Faszination dieser Westernreitersportdisziplin entziehen, wenn er zum ersten Mal einen guten Reiter auf einem voll ausgebildeten Pferd sieht. Ra-

sanz und Harmonie zwischen Pferd und Reiter und ein wenig natürlich auch der Hauch des alten Westens machen diese Disziplin zu der am schnellsten wachsenden im Westernreitersport.

Die Manöver

Das Regelbuch kennt elf verschiedene Aufgaben (Patterns) unterschiedlichen Schwierigkeitsgrades. Jede Pattern setzt sich aus sieben bis acht verschiedenen Manövern oder Lektionen zusammen. Hierzu zählen der Sliding Stop, bei dem das Pferd aus vollem Galopp zum Stehen kommt und dabei meterweite auf der Hinterhand gleitet, der Spin (rasante 360° Drehungen auf dem inneren Hinterfuß), schnelle und langsame Zirkel mit fliegenden Galoppwechseln, schnelles Rückwärtsrichten und Rollbacks (180° Drehungen aus dem Sliding Stop). Jedes Manöver wird gesondert bewertet. Der Reiter beginnt seine Aufgabe mit einem Guthaben von 70 Punkten. Die Manöver werden in ½-Punkt Schritten von -1 ½ bis + 1 ½ benotet, wobei 0 korrekte Ausführung ohne Schwierigkeitsgrad bedeutet. Dazu gibt es Strafpunkte (Penalties) für Fehler. Die Summe aller Einzelbewertungen ergibt den Gesamt-Score.

Das Reiningpferd

Reining stellt hohe Anforderungen an Körper und Psyche des Pferdes. Grundsätzlich eignet sich jede Pferderasse für diese Sportart, solange sie die körperlichen und psychischen Voraussetzungen mitbringt. Reining Pferde sind meist kleine, kompakte und wendige Pferde, die über viel Kraft und Ausdauer sowie ein starkes Nervensystem verfügen. Nicht jedes Pferd ist von den Nerven her dem hohen Tempo gewachsen. Im großen Sport sind in der Regel die sogenannten Westernpferderassen vorn zu finden, also American Quarter Horse, Paint und Appaloosa, was nicht verwundert, da entsprechende Zuchtauslese betrieben wurde. Hier haben sich ganz spezielle Reining-Blutlinien herauskristallisiert. Herausragende Reining-Vererber sind z.B. Hollywood Dun It, Hollywood Jac, Sugar Bars, Colonel Freckles oder Mr Gun Smoke, um nur einige zu nennen.

Die Ausrüstung

Ähnlich wie im konventionellen Turniersport ist auch die Reining einer Kleiderordnung unterworfen. Vorgeschrieben sind ein langärmeliges Hemd mit Kragen, Jeans, Stiefel und ein Westernhut. Hinzu kommen eventuell Chaps und Sporen. Grundsätzlich sollten Reiter und Pferd ein gepflegtes Bild abgeben, bei dem Kleidung und Satteldecke idealerweise farblich auf das Pferd abgestimmt sind. Das Pferd trägt einen Reiningssattel, der ähnlich wie der Dressursattel den Reiter beim richtigen Sitz unterstützt. 3- und 4-jährige Pferde können in den entsprechenden Prüfungen beidhändig auf Trense (Snaffle Bit) oder gebisslos mit Hackamore (Bosal) vorgestellt werden, ältere Pferde müssen einhändig auf Kandare (Bit) geritten werden. Ein weiterer wichtiger Bestandteil der Ausrüstung ist der Beschlag, denn nur spezielle „Sliding Plates“, also ganz besondere Eisen an den Hinterhufen, ermöglichen überhaupt das meterlange Gleiten auf der Hinterhand.

FEI und Reining im Überblick

- 2000** Der Weltreiterverband FEI nimmt Reining in den Kreis seiner offiziellen Pferdesportdisziplinen auf.
- 2002** Die ersten Nationen qualifizieren sich im CRIO für die Weltreiterspiele (Anm.: CRIO ist wie z.B. CSIO Nationenwertung, in der die Länder in Viererteams antreten).
- 2002** Weltreiterspiele in Jerez (Spanien): zum ersten Mal ist Reining mit dabei.
- 2003** Erste offizielle Reining Europameisterschaft (FEI) in Reggio Emilia (Italien).
- 2004** Erstes FEI Reining Masters in Oklahoma City, OK.; Schweizerin Jeannette Krähenbühl dritte in Open und Siegerin in der Ltd. Division
- 2006** Weltreiterspiele in Aachen
- 2007** Deutschland wird zum zweiten Mal Mannschafts-Europameister.
- 2008** Erste eigene FEI Weltmeisterschaft Reining: Deutschland gewinnt Bronze
- 2009** Erste FEI Europameisterschaft auch für Junioren und Junge Reiter.

The horse is coming down the arena at a fast galopp gaining speed with any stride, and then melts down in a long, smooth stop while the audience is whistling and shouting with fascination – this is reining, FEI's youngest discipline.

The origins of reining go back to the days of the American cowboy. For his job with the cattle, which was often dangerous, a cowboy needed a horse he could completely depend on. A horse, that fast, agile and could stop and turn on the slightest cue. The horse had to be ridden with one hand only, as the other had to be free for work.

FEI and Reining - A Survey

- 2000** Reining becomes official FEI discipline.
- 2002** First nations qualify via CRIO for World Equestrian Games.
- 2002** Reining is part of the World Equestrian Games at Jerez (Spain) for the first time: Gold for U.S.A., Silver for Canada and Bronze for Italy.
- 2003** First FEI European Championship in Reggio Emilia (Italy): Gold for Germany, Italy second.
- 2004** First FEI Reining Masters in Oklahoma City, OK.
- 2006** World Equestrian Games at Aachen: Team US wins Gold again, Canada second, Italy third.
- 2008** First own FEI World Championship Reining.
- 2009** First FEI European Championship for junior and young riders.

Reining – Fascination of Speed and Finesse

Today reining is one of the fastest growing riding disciplines. The main organization of reining is the National Reining Horse Association in the United States with affiliates all over the world.

The Maneuvres

There are eleven different patterns in the NRHA rule book, each pattern consisting of seven to eight manœuvres. These include the sliding stop, the spin (360 degree turn-around), small, slow and big, fast circles, backup and rollbacks (180 degree turns after the stop) . The competitor enters the arena with a 70 score. The manœuvres are judged in ½ point steps from -1 ½ to + 1 ½. 0 means an average performance without much risk. Penalties are given for mistakes, whereas plus is given for speed, but only if combined with smoothness and finesse. All individual results of the manœuvres are added for the total score. A good reining horse should react to the lightest clue from his rider without showing any resistance. It should show total control all the time and generally pleasing to watch.

The reining horse

Reining demands a lot of a horse – both physically and mentally. Any horse can be used for this discipline as long as their conformation and mind correspond to the demands. Reining horses are fast, powerful and well muscled, especially the hindquarters. Also, they have to be both sensitive and cool as well as very cooperative. In high level reining competition, almost all of the reining horses are western horse breeds with a special focus on the American Quarter Horse. Today there are various bloodlines specialized on reining like Topsail Whiz, Hollywood Dun It, Hollywood Jac, Sugar Bars, Colonel Freckles or Mr Gun Smoke, only to name a few.

Equipment

The reininghorse carries a western saddle especially designed for this discipline. 3-year-old horses are ridden with both hands on a snaffle or bosal, older horses must shown with one hand only in the bit. In order to perform those long stops, horses wear so called sliding-plates on their hind hooves. In competition, the rider wears jeans and maybe chaps, spurs, a long sleeved shirt and western hat.
